Acting City Auditor

Service/Safety Committee – November 28, 2016
City Council – December 5, 2016

Agenda Item: Public Works- Wastewater Treatment Plant Surplus Bid

Submitted by: Melanie Parvey, Water Works Division Director

Staff Recommended Action: Declare the following equipment surplus and authorize staff to proceed with the sale of equipment according to established policies and procedures.

Committee Recommended Action:

Refer to City Council with the recommendation to approve.

Council Action:

BACKGROUND:

The Public Works Department plans to surplus and sell outdated equipment and parts. The City has an existing agreement with govdeals.com online auction site to sell equipment that has been declared surplus, which allows others to purchase this equipment for their use.

SUPPORT MATERIALS:

- Attached list of equipment and materials from the Waste Water Treatment Plant

Wastewater Treatment Plant
